Taking Cases

As Regards Cases ...
they will be able to deal
in summary deal
- Miscellaneous work
such as the supervision
rectification of
boundary marks, protection
of land boundaries, enforcing
the village Sanitation,
Verification of Patwaris'
& other statistics collected
recorded by village officers,
&c and many others
too numerous to mention.
We object to the Govt having
in prescribing such hours
is that every part of the
Taluq may receive an
equal share of the Taluq
Officer's personal attention

and this object will only
be gained if an Officer
goes out to the Camp for
a fixed number of days
in each Arrondissement according
to a programme which
be sent to Govt. from time
so as to bring every
part of the Taluq
within the Scope of his
tour. For the present
Govt think that an
officer should visit the
Taluq during which
an Asst should thus
camp out in a month
should not be less than
ten days -
that this direction
is strictly followed

by coming in frequent

that the ryots officers
